

The book cover features a dark blue background with a stylized globe on the right side, showing continents in shades of green and yellow. The globe is surrounded by various space-themed elements: white stars, glowing nebulae, and dashed white lines representing orbits or paths. A vertical red bar is on the left side. The title is in large, bold, white letters, and the subtitle is in a smaller, italicized font. The authors' names are at the top left.
